'Live life to the full and create a better future for all' John 10:10

Don't forget we break up on Thursday 23rd October for half term and return on Monday 3rd November. We hope you have a lovely week off and we look forward to seeing you in November!

This Term in Class

Red

We have been settling in and learning all the new routines! We have been loving discovery time in our outside area.

Yellow

We have enjoyed reading and writing stories about space and liked discovering new facts about materials in Science.

Green

We enjoyed reading The Abominables and liked learning about life in the Iron Age through exciting history activities.

Blue

We have been learning about ocean currents and how the Great Pacific Garbage Patch collects plastic that we have thrown away. We have enjoyed using this to write a balanced argument about plastic use.

Two sessions to be held

Any issues please
contact the office.

Absences

Please report any children's absences by 9 am. This can be done via ParentMail or by contacting the school office either by email or phone call/voicemail. For medical appointments, please complete a form before the appointment, where possible. Proof of the appointment that has the child's name, date, and time on it is also required.

Remember good attendance makes a big difference to children's learning and wellbeing. National rules apply to school absences. If a child has 10 unauthorised sessions (the same as 5 school days) within a 10-week period, parents may receive a Penalty Notice. The fine is £160 per parent, per child, reduced to £80 if paid within 21 days. Further unauthorised absences could lead to higher penalties or a referral to the Magistrates' Court. For full details, please visit Lincolnshire County Council website.
