Staffing in September 2022

We will be saying goodbye to Mr Richardson at the end of this school year and wish him luck at his new school. We are pleased to welcome Miss Vinters who is joining us as an apprentice TA, mainly working across all of KS1.

SATs results current Year 6

Congratulations to our Year 6 children who recently took their end of year KS2 SATs. Their combined results in Maths, English writing, English reading, English grammar, punctuation and spelling are above the expected national standard by more than 10% in some subjects. We are thrilled with these results which show how hard this year group has worked during their time at our school. Mr Midgley even did a little dance.

School Uniform

Our uniform is listed on the school website. It can all be purchased from Nationwide Uniform in Spilsby. Please look and check you purchase the correct uniform over the summer including PE kit. Children will be reminded the first week back about the importance of wearing the correct uniform and being responsible for their own items of clothing. Please help them by labelling everything clearly. ALL children are expected to look after their own belongings. It is a vital life skill which will make their lives much easier as they progress through school.

Children will continue to come in their PE kit on their PE days for next year. On PE days children can bring a spare sweatshirt/hoodie to change in to for PE but they must come to school in their school uniform sweatshirt /cardigans.

If any families find themselves in financial difficulty regarding the purchasing of school uniform, please speak to Mrs Moore.
